## PAVEL VORACEK

I am most happy to recommend Pavel Voracek for any opportunity that he considers appropriate for the development of his career.. He has been a student here at Birmingham Conservatoire for the past year and during this time I have had many opportunities of hearing him in both solo and chamber music repertoire. As a soloist his playing is characterized by an extraordinary individuality; lyricism aplenty and mature musical thinking supported by trenchant technique. His performance of Chopin's Op.10 Etudes (complete) was remarkable for the above qualities. Please give him every consideration
